

DWC Christmas Parade Chair

The City of Destin holds an annual Christmas parade usually the first Saturday in December.

DWC has participated in this parade for many years. Members volunteer, along with the Christmas Parade Chair, represent DWC and participate in the parade.

The Christmas Parade Chair is responsible for coordinating the parade activities and eliciting members to participate in the parade.

The parade is just a means for the Club to be a part of the community. There is no fundraising involved in this activity. Each year the Board decides if the Club will participate.

The Chair is also responsible for:

- Communicating the date and time of the parade, location of parade route
- Working with the volunteers to obtain beads, trinkets, or candies which are thrown to parade bystanders
- Note: The Club has a banner showcasing its name
